

Mewar University and Indian Institute of Psychology (IIP) Joint Programmes

The Indian Institute of Psychology aims to be country's state of the art centre for excellence in the Ethical practice, Education, Research, Scientific Communication and Practical Application of Psychology. Emphasis is laid upon creating awareness among the general public regarding mental health and well being by equipping them with knowledge and skills to navigate through the stresses and storms of life and enhance their quality of life.

IIP efforts for encouraging the application of Psychology for the benefit of masses are actualized through developing service models and providing help to the people in need of mental health and community oriented services.
