

# **Mewar University Chittorgarh**

## **Structured Feedback Action Taken Report**

AY: 2020-21

Mewar University always fosters the best teaching-learning processes. The University encourages the adoption of relevant, flexible, competent curricula across all the programmes, offered by different departments. With this objective, a modus operandi has been instituted to collect feedback from different stakeholders regarding faculty members, students, parents, academic leaders, and industry people and analyze the survey report and implement it accordingly.

**1. Students' feedback and action are taken report:**

Sl No.	Feedback	Action Taken
01	Introduction of more industry-relevant courses	Industry-related courses like Data Analytics, AI, and Soft Computing were included. The revised curriculum was deliberated upon in the Meeting of the Academic Council and approved. The new curriculum will be effective from Admission 2022 onwards.
02	Giving weightage to MOOCs	Due weightage has been given to MOOCs. As per the new curriculum, students may opt for MOOCs as open elective courses.
03	Reduction of overall credits to complete the programme	Considering regulatory compliance, overall credit has been reduced to complete the respective programme
04	Giving more emphasis on hands-on training	Project-based learning was introduced in the newly revamped curriculum
05	Increase the lab component	Due weightage was given to practical courses
06	Emphasizing Contemporary Courses	Many more courses relevant to modern-day teaching-learning have been added.
07	Promoting Skill based courses	As per the UGC CBCS model, Skill Enhancement Courses have been incorporated in new curriculum
08	Introduction of more specialization	More specialization courses have been added.

**2.****Feedback from Faculty Members and action taken report:**

Sl No.	Feedback	Action Taken
01	Flexibility be given to the students for choosing elective courses	More options for programme elective courses have been included.
02	Offering Interdisciplinary courses be encouraged	Interdisciplinary has been adopted through Open Elective Courses.
03	Self-learning be promoted	The total credit required to complete the programme has been reduced. It will ultimately enhance self-learning
04	Current-day industry demands are considered into the curriculum	Industry-oriented courses have been incorporated. An industry expert has been included as a BoS member.
05	Introduction of courses on employability	Due weightage has been given for employability courses.
06	Entrepreneur ability of the students be encouraged	Innovation, Incubation, and Entrepreneurship have been promoted in a structured manner. Appropriate weightage has been given in the revamped curriculum.
07	Research activity be promoted and integrated into the teaching-learning process	Research has been emphasized appropriately in the revamped curriculum.
08	Participation of the students in live projects, debates, workshops are appreciated appropriately	Modus operandi has been framed and implemented to support students' participation in debates, and workshops.

**3. Feedback from Employers/ Academic Leaders / Members from Regulatory Bodies and action is taken report:**

Sl No.	Feedback	Action Taken
01	Implementation of a balanced curriculum should focus on skilling, application, and social implication.	The revised curriculum has a focus on skilling and realfield application. A course on Human Values has also been added.
02	Out-of-the-box thinking beencouraged	Self-learning is promoted as the overall credit required to complete a programme is reduced
03	Learning outcomes be predefined	University adopted Outcome Based Education (OBE) across all the programmes.
