

### Availability of playground for nearby village youths

In its endeavor to reach to the unreached and involve youths of the society, Mewar University openly welcome young people of nearby villages to use its sports fields in the evening to play outdoor games like cricket and football.

After university hours, one can easily find few young faces not belonging to university campus playing and enjoying them.

Nearby villages both young and adults have always been appreciating University initiatives and this initiative started last year on 5<sup>th</sup> July, 2018 was welcomed by them. Mewar University now has opened doors for use of football ground, Cricket field, Basket ball, Kho-Kho and Volleyball areas.

## **Awareness program on abolition of Dowry system**

India has at since ages suffered from dowry system where brides are supposed to bring in materialistic world along with love and care, what best is to abolish the same completely.

In this regard, Mewar University took the initiative and came forward to create awareness among nearby village area Gangrar. One day awareness programme was held in this regard on 16th November, 2018. Students of the University along with faculty members participated in this programme. Through stage performances and street plays students passed on the message of completely abolishing such a practice and accepting females as human beings at the time of marriage and not as a means of financial and materialistic gains. A poster competition was also organized in this regard. Best posted presenter won certificate and prize. The programme was successful as the villagers were able to understand the true meaning and importance of girls. The response of the crowd was overwhelming. Dean Academics appreciated the initiative and contribution made by the students and faculty members alike.

Mewar University, Gangrar (Chittorgarh) organized First Blood Donation Camp on 28-03-2018 at its campus. It started at 10 O'clock. There was over-whelming response among students, faculty and staff of Mewar University to donate blood. It was explained to them that donating blood saves life of persons who have met with fatal accidents. It helps pregnant mothers whose hemoglobin is short. It also helps patients who need blood frequently. Donating blood is one of the most pious works of human being. **327 Units of blood was donated** by students, faculty and staff of Mewar University. This was one of the largest camps held in the District of Chittorgarh. The Team leader Mr. Ajay Kumar, HOD, Department of Computer Application, and his team of faculty, staff and students made all necessary efforts for the success of the camp.

Fruits, milk and chocolates were served to all the donors by Mewar University. The Team of doctors and paramedical staff of Gangrar hospital and Shri Sanwaliya Hospital Chittorgarh rendered their valuable services for the success of the camp and they took all care to see that the activities go on very smoothly. Mewar University thanks all the doctors, paramedical staff and all those who have helped us in organizing the first camp.

Dr Sanjeev Kumar Tank, CMHO, Chittorgarh was the Chief Guest, Mr. Govindji Gadiya, Secretary, Mewar Education Society & Member Board of Management presided over the camp and Dr. Arvind Malhotra, Principal Medical Officer, Shri Sanwaliya Government Hospital, Chittorgarh was the Guest of Honor. Mr. C.R.Chaudhary, Pro President, Shri Sunilji Gadiya, Management Representative, Dr. R. K. Paliwal, Dean, H. Widhani, Registrar and all the staff and students associated with the organization of the camp took every care and made the logistics available to make it a grand success.

## **CLEANLINESS DRIVE**

There were about 50 students and 10 staff who attended the program on 2 oct 2018. Dr. Hari Singh, Mr. Raj Singh, Mr. Vijay Upadhyay, Mr. Lone Faisal, Mr. Nitish Jha, Ms. Sanchita, and Ms. Widunbiliu assisted the students. Dr. Hari Singh and Mr. Vijay Upadhyay gave a brief about the program and the importance of keeping our environment clean and encouraged the students to take care of their neighborhood and keep it clean. As Mewar Campus is large, the team got divided into two. Both teams covered each half of the campus. Later, more students joined the team, and in about two hours University was covered and made neat and clean, free from plastic waste. After the program, the students gathered and sat together for a light refreshment. Dr. Hari Singh and the team congratulated everyone who attended and encouraged the students to carry the things they learned and share them with their friends. Dr. Jyoti Raghav ( NSS coordinator) shared how she manages her kitchen waste for the balcony plants. Mr. Lone Faisal ( Convenor TT club) encouraged them and asked the students to join the Technical Today club if anyone is interested in the multi disciplinary field and wished to be active participants in any programs organized by the club. This was followed by an Exhortation from Ms. Widunbiliu, She quoted that " Our waste is our Responsibility" and that the waste generated by oneself should be properly taken care. In the end the program concluded with everyone pledged to keep the environment clean as well as help others to keep it clean.

## THE ENGINEERS' DAY CELEBRATION

The Engineers' Day celebration at Mewar University on September 15th 2018 was a resounding success, fostering a spirit of innovation, creativity, and dedication among students and faculty members. It served as a platform for students to interact with industry experts and gain valuable insights into the engineering profession. This celebration not only honored the legacy of Sir M. Visvesvaraya but also reinforced the university's commitment to producing socially responsible and technically adept engineers.

## ENVIRONMENT DAY CELEBRATION AT MEWAR UNIVERSITY

5 JUNE 2018

World Environment Day is celebrated annually on June 5th to raise global awareness about environmental issues and encourage people to take positive actions to protect and preserve the environment. It is a day for promoting environmental sustainability and addressing pressing ecological challenges.

Here are some common ways in which World Environment Day is celebrated:

1. **Theme Announcement:** Each year, the United Nations Environment Programme (UNEP) announces a theme for World Environment Day. This theme guides the focus of activities and discussions.
2. **Community Cleanups:** Many communities organize cleanup campaigns to remove litter and pollution from public spaces, parks, beaches, and rivers. This helps raise awareness about the impact of waste on the environment.

World Environment Day serves as a reminder that individuals, communities, and governments all have a role to play in safeguarding the environment. It encourages collective action to address environmental challenges and strive for a sustainable and healthy planet.

### **Girl Education Awareness Programme**

Today's girl child will be the mother of tomorrow. As citizens of India women have equal right for education. It is not only just about providing opportunity but a due right to every girl to be educated. To create awareness in this regard department of Management, Mewar University took initiative to spread awareness and word among nearby rural areas.

On 15<sup>th</sup> August 2018, Mewar University with the help of SDM Gangrar organized an awareness program in Gangrar district Chittorgarh. Students from department of Management participated in the program. Through stage performances message was spread away towards educating girl child and importance of education in their life.

The response of the crowd gathered was overwhelming. The program was huge success. Local district authorities present appreciated the move and welcomed the idea of spreading the awareness in this regard.

## Glimpse of Higher Education through Educational Tour for School Students

Mewar University organized educational tour on 15<sup>th</sup> September, 2018 for school students of Chittorgarh, Bhilwara, Nimbaheda and adjoining schools where students and their teachers were provided free bus service to visit University campus. Faculty members from University themselves accompanied these school students in bringing them from schools to campus. The students were given a tour to all laboratories, smart classrooms, seminar hall, Technical Today Club, Gandhi Museum, Mewar Museum etc. They were excited to witness Power Point presentation given by one of the students. Further visiting students were provided lunch. After this they assembled inside Maharana Pratap Seminar Hall where Dr. Tanveer Qazi – Dean Engineering, distributed prizes to top three students who have scored highest marks in their districts. Vote of Thanks in the end was given by Mr. Kapil Nahar – HOD of Mechanical Engineering. Faculty members again accompanied these students all the way to their dropping points from where they were picked. The event was grand success.

# Guru Nanak Jayanti

On 15 November, 2018 **Department of Computer Application** celebrates GuruNanak Jayanti on the behalf of Mewar University.

First of all celebration start with lamp lighting by **Mr. H. Widhani** , OSD , Mewar University. It is followed by the **GuruBani** sung by Rakesh( Student of BCA).

There are Dance , Song, and speeches given Students of Department of Computer Application. A inspirational speech on the life of GuruNanak was delivered by Mr. **H. Widhani** , OSD , Mewar University.

The Vote of thanks given by **Mohd. Rashid**, Assistant Professor , Department of Computer Application.

# HUMAN RIGHTS DAY CELEBRATION

Celebrating Human Rights Day at Mewar University on 10 dec 2018 is a meaningful and important event. Extend your Human Rights Day celebration beyond the campus by organizing community outreach programs or volunteering activities that promote human rights and social justice in the surrounding area.

## अन्तरराष्ट्रीय मानवाधिकार दिवस पर जागरूकता शिविर

पत्रिका न्यूज नेटवर्क  
patrika.com

चित्तौड़गढ़. जिला विधिक सेवा प्राधिकरण की ओर से अन्तरराष्ट्रीय मानवाधिकार दिवस के उपलक्ष्य में दो विधिक सेवा जागरूकता शिविर का आयोजन किया गया।

मेवाड़ विश्वविद्यालय गंगरार में प्राधिकरण सचिव भानू कुमार की अध्यक्षता में व मधुसुदन शर्मा के आतिथ्य में शिविर आयोजित हुए। शिविर में मुख्य अतिथि ने कहा कि मानवाधिकारों का संरक्षण दुनिया के समक्ष सबसे बड़ी चुनौति है। संपूर्ण मानव जाति आतंकवाद, अत्याचार, शोषण और उत्पीड़न से पीड़ित है। मानवाधिकारों के संरक्षण के लिए घोषणा पत्र जारी हुए। पारिवारिक व सामाजिक तनाव के कारण आमजन शिकार हो रहे हैं। प्राधिकरण सचिव ने मानवाधिकार संरक्षण अधिनियम 1993 की जानकारी दी और कहा कि इस अधिनियम से मानवाधिकार जगत में आशा की नई किरण का संचार हुआ है। अधिनियम की धारा 2 में मानव अधिकार की परिभाषा दी गई है। इसका मूल लक्ष्य मानव जीवन और उसकी गरिमा को सुरक्षा प्रदान करता है। इन अधिकारों के तहत शिक्षा, चिकित्सा, निःशुल्क विधिक सहायता, त्वरित विचारण, पर्यावरण संरक्षण जैसे विषय भी शामिल किए गए हैं। राष्ट्रीय मानवाधिकार का गठन किया हुआ है। इसका कार्य किसी लोक सेवक द्वारा मानवाधिकारों का उल्लंघन करने पर उसके विरुद्ध जांच करना, जेल में बंद व्यक्तियों की जीवन दशा का पता लगाने के लिए जेलों का निरीक्षण करना, मानवाधिकार के क्षेत्र में अनुसंधान को प्रोत्साहन देना एवं मानवाधिकार के क्षेत्र में स्वैच्छिक एवं गैर सरकारी संस्थानों को आगे लाने की दिशा में कार्य करना है। मेवाड़ विश्वविद्यालय के चेयरमैन गोविन्द गदिया, केएस राणा, वीसी आनंदवर्धन शुक्ला, निदेशक हरीश गुरनानी आदि मौजूद थे। हिन्दुस्तान जंक् में आयोजित शिविर में मुख्य अतिथि भानु कुमार थे। इस मौके पर घनश्याम सिंह राणावत, जीएनएस चौहान, अनूप केआर आदि मौजूद रहे।

Remember that the specific activities you choose will depend on the resources available, the interests of your university community, and the local context. The goal is to raise awareness, foster discussion, and encourage a commitment to upholding human rights principles among students, staff, and the broader community

## **INDUSTRIAL VISIT AT SHREE ALLOYS LTD BHILWARA**

Industrial visits are an integral part of a mechanical engineering student's education as they provide valuable exposure to real-world applications of theoretical concepts. On 31st October 2018, the Department of Mechanical Engineering organized a one-day industrial visit to Shree Alloys Private Limited in Bhilwara, a renowned alloy manufacturing company. This visit aimed to provide students with practical insights into alloy production processes and operations, allowing them to bridge the gap between classroom learning and industry practices.

Shree Alloys, established in 1979, specializes in the manufacturing of steelwork fabrications, process equipment, and materials handling equipment for various industries such as cement, sugar, power, chemical, metallurgical, fertilizer, and petrochemical. This made it an ideal destination for the students to witness firsthand the complexities and intricacies involved in alloy manufacturing.

Under the expert guidance of Mr. Manvendra Kumar Singh (Assistant Professor) and Mr. Lakhwinder Singh (Technical Assistant), the students had the opportunity to learn about the fabrication process and explore various non-destructive techniques used in the industry. The presence of experienced professionals like Mr. Sudhir Mishra, Mr. Arvind Pandey, and Mr. Sukhpreet Singh, who were alumni of Mewar University, further enriched the students' learning experience. Their insights and practical knowledge added valuable perspectives to the visit.

## Legal Awareness Camp

**Date: 09 September 2018**

**Place: Panchayat Samiti, Gangrar, Rajasthan**

It is duty of every law student to impart legal awareness among people who are not aware about their rights and also make them aware about new offences which are prevailing in the society. To impart legal duty, students of faculty of legal studies participated in the programme organised by Rajasthan Legal Service Authority at Panchayat Samiti, Gangrar on 09/09/2018. Our students performed skit in order to spread legal awareness among local people. By skit and role plays students imparted legal awareness against dowry system, cyber-crime. Students told people that giving and taking dowry is offence in the eye of law. They also created awareness regarding keeping safeguard against cyber-crime. Hon'ble District Judge Shri Hemant Kumar Jain was chief guest in this camp. Judicial Magistrate of Gangrar Mr. Ravindra Kumar was also present in this programme.

### विधिक सेवा शिविर में ग्रामीणों को बताए कानून व योजनाएं

गंगरार | जिला विधिक सेवा प्राधिकरण की ओर से विधिक सेवा शिविर पंचायत समिति में हुआ। मुख्य अतिथि जिला एवं सत्र न्यायाधीश हेमंतकुमार जैन एवं विशेष अतिथि एडीजे प्रथम गोविंद अग्रवाल, एडीजे द्वितीय महेंद्रकुमार मेहता एवं एडीजे तृतीय मनीषासिंह रहे। छात्रावास की बालिकाओं व मेवाड़ विश्वविद्यालय के विद्यार्थियों ने कन्या भ्रूण हत्या व दहेज प्रथा, साइबर क्राइम विषय पर नाटक पेश किया। प्राधिकरण के पूर्णकालिक सचिव डॉ. महेंद्रसिंह सोलंकी ने उद्देश्य बताए। तहसीलदार ने जिला प्रशासन की योजनाओं की जानकारी दी। एसडीएम रागिनी डामोर, तहसीलदार अजीतसिंह राठौड़, प्रधान देवीलाल जाट एवं सरपंच कय्यूम मंसूरी तथा जिला प्रशासन का विशेष रूप से सहयोग रहा। प्राधिकरण की मोबाइल वैन ने प्रचार-प्रसार भी किया। दिव्यांगों को ट्राइसाइकिल वितरण भी किया गया।

## **“NADAN PARINDE” CAMPAIGN: AN EFFORT FOR QUENCHING THE THIRST OF BIRDS**

As we all know that many birds, animals, and creatures die in the summer season due to the non-availability of water & extreme temperature. In 2018, we started working on quenching the thirst of those birds and animals in our project “Nadaan Parinde” in collaboration with a leading organization in our region named Satisfaction NGO. Every summer we are distributing and hanging approx 400 to 500 water bowls and make people aware of saving our biodiversity. Our intention is not only to hang up the water bowls but to make sure that it is filled with feed and water every day. So from this year, a monitoring system was also developed for their regular filling. We hope that this small step will definitely be helpful for our sustainable future.

A Two Day National Conference was organized on "**Green Techniques - a ray of hope in Environmental Protection**" by Chemistry Department in Mewar University from July 11<sup>th</sup>, 2018 to July 12<sup>th</sup>, 2018.

The conference was held in **Maharana Pratap Seminar Hall of Mewar University, Chittorgarh.**

**Day 1 :**

First day of National Conference was started with Lamp Lighting and Saraswati Vandana. The Chief Guest of the Conference is **Prof. K.R. Desai** (Director, Uka Tarsadia University, Gujrat). The president of the conference is **Prof. K.S. Gupta** (Head Of Department, RU). Our Special Guest is **Prof. S.C. Ameta** (Chemistry, Pacific University).

The conference was carried out in Two Technical session. There were 13 paper presenter's on the first day of conference and 26 poster presentations.

**Day 2 :**

Second Day of National Conference was chaired by Prof. **S.C. Ameta, Prof. R.K. Desai, Prof. G.L. Talesara, Prof. V.K. Vaidya, Prof. Ashu Rani, Prof. K.S. Gupta, Prof. Richa srivastava.**

The National Conference gave a platform to young Scientist and Researchers to reciprocate ideas on green chemistry. There were total 64 registered candidates who gave oral and poster presentation. The best 3 oral and poster presentation were selected by chair members .

**Results :**

First position for oral presentation secured by **Ms. Anupriya Singh** (Assistant Professor, Chemistry) and First position for poster presentation secured by **Mr. Paras tak** (Udaipur).

The report of the National Conference was given by organizing secretary **Dr. Sanjay Saxena** (HOD, Chemistry) .

## **Quiz Competition & Science Fair**

Mewar University has always encouraged young minds to come forward and play a vital role in shaping up the future of this country.

In this context, Mewar University organized Science Fair and Quiz Competition for school students on 10<sup>th</sup> October, 2018.

The competition was open for class IX – XII. Approx 200 students participated in the quiz competition from 19 schools from Chittorgarh and Bhilwara district.

First floor of the admin building was buzz of activities of the day. Project big and small innovations and ideas facing shape hogged the limelights. One can feel science in the air. School students were more than happy to be a part of this event and demonstrate their skills. Later quiz completion was organized and winning team for the both quiz and Science fair received cash prize and certificates from chairman of Mewar University.

The event was appreciated by Principal and teachers of participating schools.

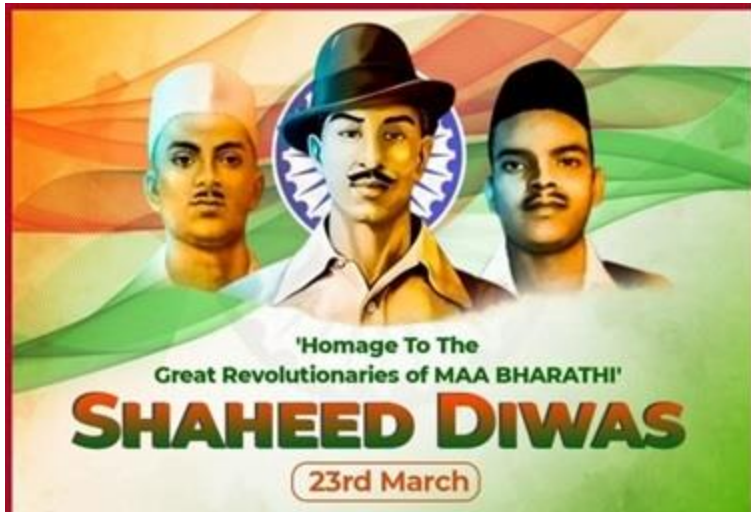

In the end, convener of the event given vote of thanks to all the participating students, teachers and further appreciated the efforts of faculty members and students of the university who make this event a ground success.

**A Report on Martyr's Day (Shaheed Diwas) 23<sup>rd</sup> March, 2018**

**Organized by: Department of Civil Engineering**

**Mewar University**

**Major Outcomes of Event:**

- Students became aware about Martyr's Day.
- Students learnt the importance of social distancing.
- Students learnt about their fundamental duties.

Every year 23<sup>rd</sup> March is observed as “Shaheed Diwas” with great passion and unity across India. The Department of Civil Engineering, Mewar University, Chittorgarh had organized “Shaheed Diwas” which is celebrated in remembrance of the three revolutionaries of India who were hanged to death by the British namely Bhagat Singh, Shivaram Rajguru and Sukhdev Thapar.

This day is widely celebrated across India to honor these men who lost their lives serving mother India.

The program started with lamp lightning and kulgeet. In the beginning Head Department of Civil Engineering welcome all the dignitaries, students, and staff members. The students of Department of Civil Engineering, Mewar University, Chittorgarh who were interested in Speech and event, presented their speech, poem, and the life history of these freedom fighters. It was very interacting speech with a good response from students. After that Prof. Dr. Sarvottam Dixit explained the life, personality, struggle and freedom movement of Shaheed Bhagat Singh.

## Swachh Bharat Abhiyaan

The current Government in its move to see healthy and clean India launched 'Clean India' (Swachh Bharat Abhiyaan) drive across the nation.

To carry this programme forward Mewar University organized a cleanliness drive in and around University campus on 15<sup>th</sup> August, 2018. Faculty members and students participated in this mega cleanliness drive. Cleaning staff were pleased to see that their job is being carried out by students and faculties alike. There was also a competition held in this regard where campus area was to be cleaned by team members.

The best cleaned up area team won prize. Also a poster making competition was held. Students made thought provoking posters and best poster won cash prize and award.

## Swachh Sewak”

### A Campus Cleaning Competition

Technical Today Club of Mewar University has organised a “SwachhSewak”, a campus cleaning competition; for supporting our Clean India movement on the occasion of our 71<sup>st</sup> Independence Day Ceremony.

“SwachhSewak” competition was opened to all students, teaching, non-teaching and administrative staffs. “SwachhSewak” competition was inaugurated by Shri. GovindLalGadiya (Chairman, MES) and Prof. V.N. Rajasekharan Pillai (President, Mewar University). Around 15 teams registered for the event. Each team was given various spots in the campus for cleaning and they were given a time limit of around one and a half hour for cleaning. The judges for the event were Ms. VandanaMalviya (HoD, Dept. of Mathematics), Ms. Ganga Biswa (HoD, Dept. of Mining) and Mr. SSPM Sharma B (Assistant Professor, Dept. of Electrical Engineering).
