

8TH INTERNATIONAL YOGA DAY

22 JUNE 2022

Acting on the 33-minute 'Common Yoga Protocol' issued by the Ministry of AYUSH, Government of India, the yoga team from Patanjali were invited by Mewar University to perform selected 'asanas' as officially chosen by the Ministry for the demonstration. Registrar Mr. M Sudershanam inaugurated the International Yoga Day at the Mewar University ADM Block.

While many yoga institutions planed to organise asana sessions to mark the day, Mewar University successfully conducted a yoga demonstration involving its teaching faculty, non-teaching staff members, sportspersons, students and also yoga enthusiasts.

The Team from Patanjali included Mr. Rao Rajesh Singh, Ms. Pooja Raathi and Ms. Anshu Kawar who not only demonstrated various Asanas of Yog but also empowered a spiritual awakening in all the staff of Mewar University.

Mr. M Sudershanam (Registrar, Mewar University) had to say that the University has celebrated International Day of Yoga by organising a mega yoga session and he himself being at the age of 65 years performed over 26 different asanas creating a zeal in the faculty and staff of the university.

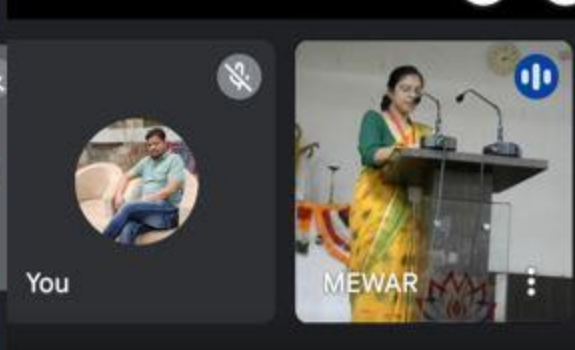

A webinar on 12(B) Awareness was conducted by Research Ethical Committee, Mewar University on 23rd June, 2022 (Thursday) at Mewar University Campus. This programme was organized for the Faculty members of the University. The keynote speaker for the webinar was **Professor (Dr.) Satyadeo Poddar, Vice Chancellor, Maharaja Bir Bikram University, Agartala, Tripura, India.**

In his presentation he briefed us about the benefits of 12B status. He informed that with 12B Status, thereafter we can apply for various National and International funding. UGC provides financial assistance to only those Universities/Colleges which are included in the list maintained by the UGC under Section 12 B of the UGC Act, 1956.

He also informed that financial assistance will be provided to only those Universities/Colleges which have been included under Section 2(f) and have been declared eligible to receive central assistance under Section 12B of the UGC Act, 1956 and fulfill the eligibility conditions. One can get the assistance for Development of Undergraduate Education, Postgraduate Education, Books & Journals, Equipment, Improvement of existing premises, Educational Innovation, Extension Activities

Dr. Jyoti Singh Raghav enlightened about the programme and gave a brief overview on the topic, speaker and the participants. The welcome address was given by Prof. (Dr.) Sarvottam Dixit, Pro Vice Chancellor and Chairman (REC), Mewar University.

The programme ended with vote of thanks by Dr. Gulzar Ahmed.

Basant Panchami Celebration

The goddess Saraswati, one of the incarnations of the divine mother Durga, is popularly known as the goddess of learning and wisdom, descends on the earth to bestow her blessings and enlightenment to the devotees who aspire to be learned, knowledgeable and wise once in a year according to the Indian mythological tradition. Students worship with much ado and admiration to get a celestial ray of bliss and quintessential blessings.

We, the staff and students of the Mewar University celebrated the 'Godess of Learning' with glitz and gaiety on the 5th of February, 2022 in the university premises. As part of the substance and symbolism, following the rich and rare tradition of the Vedic rituals, the *Puja* with a feel of sanctity and solemnity was initiated by the offerings of flowers and fruits. The *Havan* was offered with the scented and aromatic ingredients. The Vedic chants gallivanted the ambience with fire, and holy smokes welcoming the goddess from her heavenly abode to the earthly learners.

The place was well decorated by the students of B.Tech. and B.Sc. by flowers and rangoli etc.

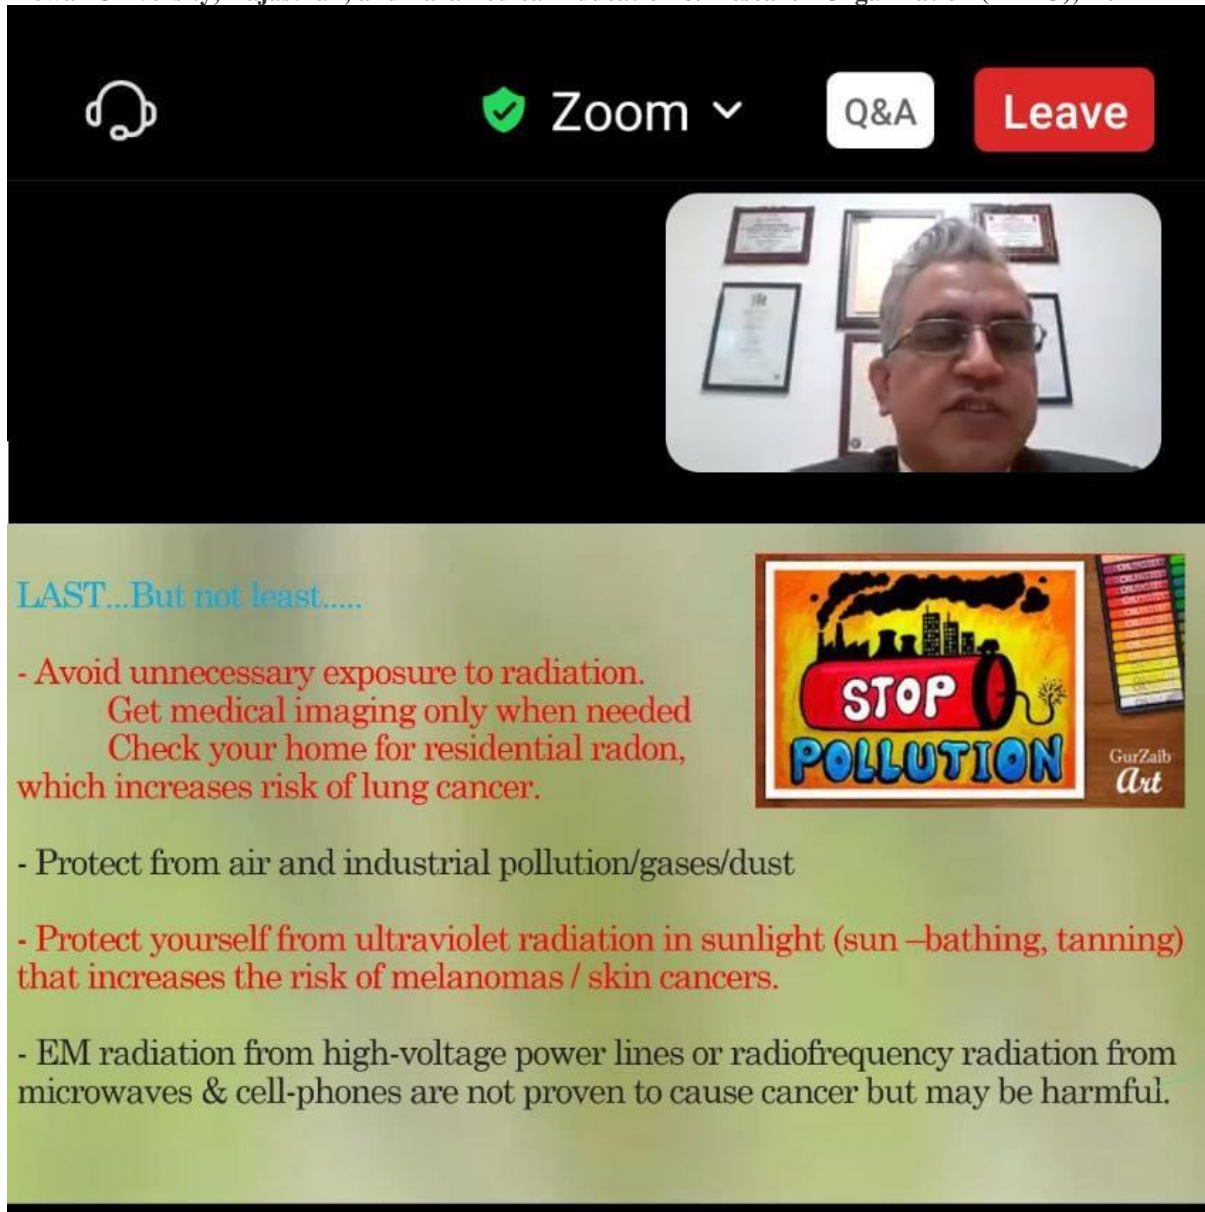

The *Puja* was graced by the management representatives such as the **Shri Govind Lal ji Gadiya**, Secretary, Mewar Education Society, **Shri .R.K. Gadiya**, and **Shri. Sunil ji Gadiya** with the **Mr. M.Sudarshanam**, Registrar, **Prof. R.K.Paliwal**, Dean Basic Sciences etc. The puja came to an end with the *Aarti* and the distribution of *Prasad*.

Organised a meeting on occasion of World Cancer Day 2022

February 4th, 2022. On the occasion of world cancer Day, a webinar is organised by Mewar University, Rajasthan and PERO Delhi. Dr. Ashok Kumar Gadiya, Chairperson of Mewar University, Rajasthan was the chief patron of this meeting. Webinar was presented by DR. KULDEEP SHARMA (MBBS, MD from Maulana Azad Medical College, DNB, PGDHHM) Purpose of organizing this meeting was to raise attention & encourage people for making world cancer-free. A presentation was given to encourage its prevention, detection, and treatment.

We all are together in this fight with cancer. Let us promise to never surrender or let anyone surrender to this disease.

Mewar University, Rajasthan, and Paramedical Education & Research Organization (PERO), Delhi

LAST...But not least.....

- Avoid unnecessary exposure to radiation.
Get medical imaging only when needed
Check your home for residential radon,
which increases risk of lung cancer.
- Protect from air and industrial pollution/gases/dust
- Protect yourself from ultraviolet radiation in sunlight (sun –bathing, tanning)
that increases the risk of melanomas / skin cancers.
- EM radiation from high-voltage power lines or radiofrequency radiation from
microwaves & cell-phones are not proven to cause cancer but may be harmful.

Constitution Week 2022 Report

Faculty of legal studies organized a program in lieu of Gandhi and shastri Jayanti on 1 october,2022. The chief guest and guest of honour of this program were Mr. Anand Vardhan Shukla Pro V.C Mewar university and Professor (Dr.) Chitralkha Singh Dean of fine arts. The program was started with Saraswati Vandana and Kulgeet after that Assistant Professor of law department Ms. Supriya Chaudhary welcomed the guests by giving a welcome address. The program was hosted by student of BB.A LL.B Ms. Minlem Konyak. In the program, students of the Law Department gave a dramatic presentation on the life of Gandhiji. Akshita and Nandini presented a patriotic group dance. International student Samantha, Warren S. P. and Ibrat Jahan recited a poem based on Gandhiji. Gandhiji was a symbol of truth, non-violence, harmony and self-reliance. The above things were said by Vice Chancellor Anand Vardhan Shukla in a program organized on the eve of Gandhi and Shastri Jayanti at Mewar University. He further said that Gandhi attacked the ideology of the British. He was in fact the leader of the untouchables. Remembering Lal Bahadur Shastri, he said that Lal Bahadur Shastri, who gave the slogan of Jai Jawan, Jai Kisan, managed the country in difficult times and maintained the country's honor. Referring to many unprecedented reforms, he said that it was Shastri ji for the first time in many revolutionary initiatives including Anti-Corruption Department, National Dairy Board. Recalling the contributions of Gandhi and Shastri, Director of Gandhi Museum, Mewar University, Prof. (Dr.) Chitralkha Singh said that the purpose behind celebrating the birth anniversary of any great man is to imbibe the greatest things of his life. The Chancellor of Mewar University, Dr. Ashok Kumar Gadiya and the Vice-Chancellor, Prof. Sarvottam dixit, extended their warm wishes for the successful program through online medium. On this occasion Director Academics D.K. Sharma, Director Training and Placement Harish Gurnani, Deputy Registrar Deepti Shastri, Dean Engineering Dr. A. R. Raja, Assistant Director of Gandhi Shodhpeeth, Dr. Sumit Kumar Pandey, Dr. Neelu Jain, Vandana Chundawat, Dr. Ganga Biswa, Nirma Sharma, Geetanjali Sharma, Supriya Chaudhary, Iba Suchiang, Roshni Kasudhan, Anjali Tripathi and other faculties and students of the university were present. The program was ended with the speech of vote of thanks by Head of Department of law Ms. Lavina Chaplot.

Mewar University

Guest Lecture Report on "Societal Transformations in the 21st Century" by Dr. Chakarpani

Date: 22-06-2022

Venue: Department of Sociology, Mewar University

Introduction: The Department of Sociology at Mewar University was honored to host a guest lecture by the eminent sociologist, Dr. Chakarpani, on the topic of "Societal Transformations in the 21st Century." Dr. Chakarpani is widely recognized for his pioneering work in the field of sociology and his insightful research on contemporary societal changes. The lecture aimed to provide students and faculty with valuable perspectives on the evolving dynamics of society in the 21st century.

Lecture Highlights:

1. **Expert Insights:** Dr. Chakarpani commenced the lecture by providing a comprehensive overview of the societal shifts that have taken place in the 21st century. He drew upon his extensive research and experience to offer expert insights into the multifaceted aspects of contemporary society.

2. **Multidisciplinary Approach:** The lecture emphasized the multidisciplinary nature of sociology by exploring intersections with psychology, economics, politics, and technology. Dr. Chakarpani illustrated how sociology serves as a bridge between various fields, helping to understand and address complex social issues.

Industrial Visit at Nitin Spinners Limited, Bhilwara, Rajasthan

Industrial Visit Report On 03rd December 2022, students of Management and Commerce along with 2 faculty members visited NITIN SPINNERS LIMITED headquarter's is located at 16-17 Km. Stone, Chittor Road Hamirgarh Bhilwara, Rajasthan, 311025 India.

We were assembled and taken to the weaving unit of 9-A. There we had a look at the rows of weaving machines which were weaving cloth at a rate of 650 RPM. The cloth being woven was of 350 cm width. Here compressed air blowers were circulating in the unit to blow of any excess lint and threads which may disrupt the working of the weaving unit. After spending some time in the room, we were giving a through insight by the production manager on floor. It was interesting to know that 80,000 meters of cloth is being woven every day.

Nitin Spinners Ltd is an Indian ISO 9001:2000 certified textile manufacturing company based in Bhilwara. NITIN SPINNERS LIMITED is in the industry of Fiber, Yarn, and Thread Mills. NITIN SPINNERS LIMITED's sales is \$357.61 million. We got to know that its main business involves weaving, knitting, processing, home textiles, ready-made garments and polyester yarns and that it exports 90% of its products to over 65 countries in the US, Europe, South America, Asia and Africa.

The industry's contribution towards eco-friendly production.

- Raw material consumption on daily basis and textile production rate.
- Way of reusing and disposing of waste generated were discussed.

The machines keep working 24 hours a day and are all imported from Belgium. The machines are equipped with latest technologies which stops the machine if even one thread is broken. This ensures high quality and efficient working of the weaving unit. By 03:00 pm we departed from Nitin Spinners.

The students showed great eagerness and curiosity to know about this process. The company's manager took a separate training session for the students and assured them of placement in the company. This industrial tour was organized under the guidance of Vice - Chancellor Prof. (Dr.) Alok Mishra, Director, Guidance and Placement Department, Mr. Harish Gurnani. The industrial tour was conducted in conjunction with Department Head Dr. Rajesh Bhatt and Assistant Professor Mr. Raj Singh & Mr. Vikram Singh. Students of BBA, MBA, B.Com and BBA L.L.B were involved in this visit.

INDUSTRIAL VISIT TO KOTA SUPER THERMAL POWER STATION (KSTPS)

We embarked on a journey of 4hrs from Mewar University Gangrar to Kota, we were about 45 Students consisting of B.tech and Diploma Students accompanied by 5 departmental faculties. Among the students are Nigerians, Yemenis, Sudanese and Indians.

Date: 5-12-2022

The students are from their respective departments as follows:

1. Electrical and Electronics Engineering(EEE)
2. Electronics and Communication Engineering(ECE)
3. Mechatronics Engineering
4. Mechanical Engineering

The journey was a peaceful and swift one. On reaching to the Power station, we saw military men on duty they were searching every person before entering the station, we were search and our phones were collected then we sign on our names before we entered the station.

Two junior Engineers welcomed us and then took us around starting from the transportation of coal by train then the first step by human's i.e. the homogenous process of separating the coal from unwanted ones and also breaking them into smaller ones it was WOW. We were showed how power was generated through coal by means of heating then we proceed to see the condense water and also the chlorine tank. The water needs to be chlorinated before the coal heats it then reaching its condensed form by the rotating shafts of the turbines. The water needs to be chlorinated to avoid corrosion and damage to machine engines and part.

We were been taking to the Control System Room where all machines are been control by systems operated by humans from the computation of data, its analysis and documentation of accurate information of power generated daily in time frames and other important functions, we also saw the ongoing clip of the operations been carried out that very day through its architectural layout and view.

It was concluded with pictures with KSTPS Staff and Engineers, Faculties of Mewar University and other students. We journey back to the University campus though we stopped on the road and a warm reception was given to us by a restaurant where we all ate Chicken Biryani to our satisfaction with availability of bottle waters.

The journey was a beautiful experience. A very big thank you to the Management of Mewar University, department staff of Electrical and Electronics Engineering most especially Our HOD Mr. Deepak Joshi, the subject lecturer Ms. Nirma Kumar, Mr. Lone Faisal, Mr. Suraj Kumar and all other faculties who in one way or the other contributed to the success of this journey.

INDUSTRIAL VISIT TO KOTA SUPER THERMAL POWER STATION (KSTPS) Report

Nadaan Parinde-2022

we started working on quenching the thirst of those birds and animals in our project “Nadaan Parinde” in collaboration with a leading organization in our region named Satisfaction NGO. Every summer we are distributing and hanging approx 400 to 500 water bowls and make people aware of saving our biodiversity. The students, NCC, and NSS volunteers of Mewar University together under the able guidance of Honorable Chancellor, Mewar University, Dr. Ashok Kumar Gadiya actively participating in this event. Our intention is not only to hang up the water bowls but to make sure that it is filled with feed and water every day. So from this year, a monitoring system was also developed for their regular filling. We hope that this small step will definitely be helpful for our sustainable future.

National Integration Camp

With pay homage to Netaji, remember his patriotic words and work hard towards the nation, convert his vision into reality, National Service Scheme Coordinator Dr. Jyoti Singh Rahgav has given heartily vote of thanks to assembly and specially pharmacy department.

The objective of this Programme was to generate patriots in mass and it occurred by above mentioned events.

WORLD ENVIRONMENT DAY AT MEWAR UNIVERSITY-22

Celebrating World Environment Day at Mewar University on 5 June 2022 is a great opportunity to raise awareness about environmental issues and encourage sustainable practices among students, faculty, and staff.

Conduct guided tours of the campus to showcase green and sustainable features, such as rainwater harvesting systems, solar panels, and green spaces. Explain how these initiatives contribute to environmental conservation. Set up recycling bins and an e-waste collection point on campus to encourage responsible waste disposal. The goal is to engage the university community in meaningful discussions and actions to protect and preserve the environment on World Environment Day and throughout the year.
