Event planning is the process of planning a festival, ceremony, competition, party, concert or convention. Event planning includes budgeting establishing dates and alternative dates, selecting and reserving the event site/venue, acquiring the permits (alcohol, insurance, licenses etc) and coordinating transportation and parking, event planning also in cludes some or all the following depending on the event

1. Developing a event motif for the event
2. Arranging for speakers and alternative speakers
3. Coordinating location support (location, water, electricity and other utilities)
4. Arranging decor, tables, chair, tents
5. Event support and security
6. Catering, police, fire, portable toilets, parking
7. Emergency plans- health care professionals, first aids stations and cleanup
