EXAMINATION AUTOMATION SYSTEM (EAS)

MANUAL

The examination section of Mewar University has been automated since the inception of the University for Transparency, Accuracy and Mass Data handling in examination system. The following diagram represents the digital work flow of the entire examination system. The automation of examination has led to improvement in the efficiency, optimum utilization of resources, remove of manual intervention, speeding up of error-free functioning mechanism while making the whole process transparent and digitalized.

Students Registration and Subject allocation for exam

Student registration is mandatory for all enrolled students. Students are required to register themselves on the Student Portal through the STUDENT PORTAL link provided on the University website (ums.mewaruniversity.net.in). After registration they are assigned subjects for which they have opted including all core, departmental electives, seminars and open electives. Students are able to view every detail on Student Portal about the subject and attendance after the registration.
