

Business Lab

A business laboratory is set up in Mewar University campus. The Business laboratory creates an experiential learning atmosphere for the students of management and commerce. The idea behind the business lab is to inculcate knowledge and need-based work skills so that the graduates of the university find themselves prepared for employment and self-employment avenues as and when required. To accomplish this task, we have incorporated practical aspects of the subject so the students may involve in experiential learning which is vital in the present business world.

Business Lab provides practical exposure to the processes and procedures followed by organizations in conducting marketable practices. The lab provides practical exposure to students by relating the subject syllabi with practical training in the lab. The Business Lab is equipped with the latest teaching aids such as a projector, video camera and Laptop. Charts, Models, prepared by students are displayed for the benefit of all. Again, an all-out effort is being made to install the laboratory with the latest gadgets. Students also participate in group discussions, presentations, etc. arranged here from time to time. With the Business Lab, the university aims to stress the significance of practical application of knowledge gained through theory, among students and faculty.

The business lab is placed on 2nd floor room number 207 main building.

Objectives and Activities:

All kinds of forms used in banks, finance corporation, insurance, Tax Department etc. like Pay-in-slip, NEFT, RTGS forms, Account Opening Form, Debit, Credit, ATM cards to understand the rules and regulation applicable to them and the procedure for applying and precautionary measures to operate them.

Bank Loan advancing documents like Agreements relating to Lien, Pledge, Hypothecation, Mortgage are kept.

In this lab, we keep prospectus, share certificate, Debenture Certificate, Memorandum of Association, Article of Association, Annual Reports, Director/Chairman Report, Audited Balance Sheet, Profit and Loss Account etc., of various companies, which help student to study, compare and analysis the financial position.

Photos of the successful business icon, their ideas, way of working, their goals, their growth and achievement are displayed. This would motivate the students to set their life goals and try to be ambitious.

1. To prepare the students to fulfill the requirements of industry and business
2. To make the students aware of the availability and applicability of commercial documents for their daily routine purposes.
3. To equip the students with practical knowledge and develop entrepreneurial abilities to start their own business or to get employment in the competitive job market.
4. To provide online entry forms/IT Returns through power point presentation.
5. Display of latest information on the notice board.
6. Showing online stock exchange and discussion on share market trends.

This Business Lab is used for the overall development of students of MBA, BBA & B.Com. program.
