Awareness programmes on Anti-Ragging held in the MU

Anti-Ragging Awareness Programme- A Report

An 'Anti-Ragging Awareness Programme' was conducted in the institution on 04-10-2021 for the final semester students. The programme was organized by the department of Management. Pro-VC Anand Wardhan Shukla was the key note speaker. The Programme was started at 01.30 p.m. in Maharana Pratap Seminar Hall with the welcome address by the Head-Dept of Management Rajesh Bhatt.

Pro-VC Sir started his speech with an explanation to ragging. The new definition for ragging is : Any act of physical or mental abuse targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

He informed the gathering about the consequences of ragging which in his opinion would be devastating for both the parties. He said that even the Hon'ble Supreme Court in its order has banned ragging in any form in institutions and many educational authorities like UGC, AICTE, and the Governments have issued stern warning against ragging and proposed ways and means to curb the menace of ragging.

He said that ragging is a criminal offence and Prohibition of Ragging Act, provides a punishment up to 2 years imprisonment or fine which may extend to Rs.10000 or both.

In addition, some laws also provide for disqualification or expulsion of student from the educational institution on conviction on the charge of ragging. He hoped that the institution has planned well to prohibit, prevent and eliminate incident of ragging in the campus.

He praised the faculty member and authorities for keeping up a good vigil against ragging as no untoward incident of ragging has been reported in the past. He also wished for the same in the future. He asked the students to note down his mobile number and requested them to contact him in case of any emergency or for help. Mr Raj Singh, Assistant Professor gave the vote of thanks. The programme was attended by about 60 students and 10 faculty members.

Rules and regulations of the MU regarding zero tolerance towards ragging and other unlawful activities

[Handwritten Signature]
16/4/24

Registrar
Mewar University
Gangrar, (Chittorgarh)

Zero Tolerance Policy

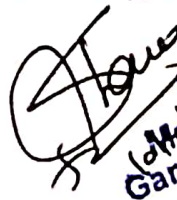

This policy aims to maintain and foster a work environment in which all students are treated with decency and respect. We have adopted a zero-tolerance policy toward discrimination and all forms of unlawful harassment, including but not limited to sexual harassment. This zero-tolerance policy means that no form of unlawful discriminatory or harassing conduct towards any student, or another person in MU campus will be tolerated. MU is committed to enforcing its policy at all levels and any student who engages in prohibited discrimination or harassment will be subject to discipline, up to and including immediate strict action.

Conduct Covered by this Policy:

1. This policy applies to and prohibits all forms of illegal harassment and discrimination, not only sexual harassment. Accordingly, MU absolutely prohibits harassment or discrimination based on sex, age, disability, marital status, personal appearance, sexual orientation, race, color, religion, national origin, veteran status or any other legally protected characteristic.

2. Because confusion often arises concerning the meaning of sexual harassment in particular, it deserves special mention. Sexual harassment may take many forms, including the following:

- Offensive and unwelcome sexual invitations, whether or not the student submits to the invitation, and particularly when a spoken or implied quid pro quo for sexual favors is a benefit of employment or continued employment;
- Offensive and unwelcome conduct of a sexual nature, including sexually-graphic spoken comments; offensive comments transmitted by e-mail or another messaging system; offensive or suggestive images or graphics whether physically present in the campus or accessed over the Internet; or the possession of or use of sexually suggestive objects;
- Offensive and unwelcome physical contact of a sexual nature, including the touching of another 's body; the touching or display of one's own body, or any similar contact.

Registrar
Mewar University
Gangrar, (Chitwan) Nepal

Procedures in Cases of Harassment:

- Any student who believes that she or he has been subjected to unlawful harassment of any kind has the responsibility to report the harassment immediately to her or his counsellor or Head of Department or Dean or Committee.
- Every report of harassment will be investigated promptly and impartially, with every effort to maintain student confidentiality. The complainant and the accused will be informed of the results of the investigation. If the company finds that its policy has been violated, it will take appropriate corrective and remedial action, up to and including discharge.
