Sir,

Please refer to your letter and further discussion we had regarding the above matter. We appreciate your move to promote industrial interaction of Mewar University for the benefit of the students paving the way for them for gaining of hands-on training, which reduces the learning curve in industrial practices.

To begin with, we shall permit a Ph.D student to use our laboratories of the R & D center of Welcome Food Laboratory located in Delhi. However following terms and conditions shall apply:

- ❖ The Ph.D student will be allotted a Research supervisor from Mewar University faculty Members a Research Scientist/Engineer at Welcome Food Laboratory may be appointed a Co-research guide as per the rules of the respective institutes. The student may be encouraged to take up the project such that Maceod desirably benefits from its outcomes.
- ❖ The students will carry out part of their Ph.D. research work at Mewar University and Welcome Food Laboratory depending on the nature of the work as per rules of the respective institute depending on facilities and requirements.
- ❖ There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent. Both MU and Welcome Food Laboratory will be free to independently carry out follow-up research on the thesis work conducted under this scheme.
