About The University:-

Mewar University is a self-financed university established as per Rajasthan Govt, Mewar University Act -2009 "No. F.2(1) Vidhi/2/2009 in the persuasion of clause (3) of Article 348 of the constitution of India. The University is recognized and approved under sections 2(f) and 12(B) of the UGC Act 1956 and empowered to confer Degree/Diploma/ certification under 22(1) of the UGC Act 1956. The Mewar University is NAAC accredited with Grade "B" as well as approved by all concerned Statutory Regulatory Authorities (SRA) such as All India Council for Technical Education (AICTE), Pharmacy Council of India(PCI), Bar Council of India(BCI), National Council for Teacher Education (NCTE) and the University is also a member of the Association of Indian Universities.

The University is imparting higher education since 2009 and provided higher education to thousands of students till now since its establishment. We are also imparting education to various National & International Students in various fields and offering Diploma, UG & PG Programmes to the aspirants. We currently have students from 29 States & Union Territories of India along with over 20 countries, from Diploma to Masters Level programs. The university is following all rules and regulations of UGC & other Regulatory authorities to maintain the quality of Higher Education.

Under the able, dynamic, and committed leadership of Dr. (CA) Ashok Kumar Gadiya, Chairperson Mewar University has been able to spread education among the young generation, belonging to rural areas, and more specifically, to under-privileged classes of society. He strongly believes that the young generation is truly sincere, dedicated, and keen to adopt new practices of learning. They can enter any challenging arena and achieve success if they receive focused attention, an inspiring atmosphere, and a bit of extra care.
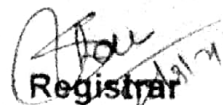

The University has been able to achieve its avowed purpose of making higher and technical education accessible to the weaker and deprived sections of our society in such a short period which is tested by the University's track record so far, out of around 5000 students enrolled, 75% belong to the weaker sections (SC, ST & OBC).

The University is situated on 30 acres of land allotted by the government and has adequate infrastructure that has been put to optimum use for an effective learning and research environment that a higher educational institution is expected to possess. The unique teaching system of the University is that every student of each course that is being taught in the University is sent for practical training and internship at the established and renowned training institutes at the national level. The university has a very good research facility and has research publications and patents with good impact factors published in various National and International journals and books as well. Our Students and faculty members participated from time to time in various National and International Seminars, Conferences, FDPs, workshops, etc. University is offering Research facilities through Advanced Research Center and incubation center in collaboration with MSME, under the guidance of National & International experts.

The university training and placement department provides an opportunity for students to seek placement in various reputed companies and Industries. We are having students from all over the country, and thousands of international students are staying on campus and studying different courses.

University is following state government reservation policy and always gives preference to girl's students under "Beti Bachao and Beti Padavo". The university management is providing scholarships to economically backward and needy students, in addition to a scholarship provided by different Governments also. As a part of outreach activities our university adopted several nearby villages, our faculty goes to the government schools and teaches various subjects to the students under Mentor Prakalp Scheme. University also organizes Blood donation camps, dental and eye checkup camps, Health camps, and awareness camps (COVID, AIDS, Legal aid camps, etc.) for the benefit of society, in coordination with University NSS & NCC unit.

University has smart ICT-enabled classrooms and well-equipped laboratories with state-of-the-art

facilities. The University library is equipped with a sufficient number of References and textbooks with periodicals and various National & International journals. Digital Library is fully-fledged with High-speed computers and an internet facility with the subscription to DELNET. The campus is fully Wi-Fi enabled & CCTV connected. We are having separate hostels for Boys, Girls, and International students as well. We are providing consultancy services to Industries, villages, and farmers in Agriculture farming, etc. University is providing health facilities to the students and staff members round the clock by qualified & experienced doctors, and nursing staff with an ambulance facility. For the benefit of students and staff, we are having a banking facility, shopping complex, gym, playground, etc.

1. Academic and Administrative Audit (AAA)

An academic and Administrative Audit is **the process of evaluating the efficiency and effectiveness of the administrative procedure**. It includes assessment of policies, strategies & functions of the various administrative departments, control of the overall administrative system, etc. The main objective of the audit is to review, assess and evaluate the performance in domains of the teaching-learning process, research, extra-curricular and administrative aspects of departments of the University The review process is usually carried out by internal committee members and external academicians. As a part of the audit process, the IQAC has structured a proforma for the evaluation based on the Criteria specified by NAAC. The criteria-wise evaluation of the department includes:

i.   Course content
ii. Teaching-Learning Process
iii. Examination and Evaluation system
iv. Results
v.   Other activities
vi. Infrastructure
vii. Department Administration

Process Involved:

The process involved in the Academic & administrative Audit by the committee members is given below.
