**HON'BLE MR. JUSTICE MUKESH RAJPUROHIT
(VACATION JUDGE)
Order**

18/06/2026

It is contended by learned counsel for the petitioner that earlier, a show cause notice was issued on 09.08.2025 pointing out certain irregularities found in the university. The petitioner university filed a reply to the said notice on 20.09.2025, and a inquiry committee was constituted. It is submitted that the said reply is pending consideration before the State Government. Thereafter, on the basis of report of said enquiry committee, another notice was issued to the petitioner university on

25.03.2026, and the petitioner university filed a reply to the said notice as well. The said reply is also pending consideration before the State Government. All of a sudden, the impugned order dated 01.06.2026 (Annexure-3) has been passed by the respondent authorities restraining the petitioner university from admitting new students, without considering the reply submitted by the petitioner university and without concluding the enquiry.

Learned counsel for the petitioner has relied upon the judgment of the Hon'ble Supreme Court in **National Medical Commission & Ors. v. Madhuri Sewa Nyas & Ors.** (Special Leave to Appeal (C) No. 15865/2025) decided on 21.07.2025, whereby the Apex Court has deprecated this practice of the State .

Mr. Ravindra Jala, associate to learned Additional Advocate General Mr. S.S. Ladrecha, submits that a reply has already been filed. He admits the fact that the process pursuant to the reply filed on behalf of the petitioner university is pending consideration. He further submits that pursuant to the reply submitted by the petitioner university, a committee was constituted and the enquiry is still going on. He also submits that since the enquiry is pending, the impugned order was passed to safeguard the newly inducted students.

In response to the above submission, learned counsel for the petitioner submits that the university has been in operation since 2009 and more than ten thousand students are pursuing their studies at the university; therefore, restraining the petitioner university from admitting new students is contrary to the judgment passed in **National Medical Commission & Ors. v. Madhuri Sewa Nyas & Ors.** (supra).
