Hello Sir ,

As per discussion , below details will be shared by your end .

- You would be sharing a list of students who have done BSc/MSc in Agriculture or Horticulture.

Also below things were discussed for the passing batch of 2024.

-Kindly confirm which semester they are presently in and till what semester marksheet they will be able to share. Also when will they be able to join us officially , please confirm the dates. It would be great if they can join us this month .

-Also they won't need any leaves post joining us for any college requirement. We can get all interviews done virtually , once I receive a list from your end .

-Also you will send us the students who don't have any backlogs till date and are potentially able to clear the pending semester too in order to get the degree .

- We will also get them to sign a declaration form that they will be submitting their final sem marksheet on the aforesaid date or will be liable for certain action.

Please inform the students this is a full time opportunity /job and it is not an internship so please ask only such students to apply who are in need of a job . So all the rules and policies will be applicable to them as a full time . Internship letter requirement is from university end which we will provide once the employee completes 6 months with us and is active.

Kindly confirm the above pointers in order to proceed further in the recruitment process.

As discussed , I would request to please share an interested students list . We will conduct orientation with all students first.

- Also since this will be work from office, requesting to pls share the list of students who would be ready to work in Gandhinagar office

You will be sending a revised list with these details:

Name , Contact number , Whatsapp number , Degree Name and specialization and % till now , 10th % , 12th % , Hometown(Basically they belong from where) , Email ID etc .

Also , as per our discussion , post the interview which will be held and once they are joined they will undergo our training and need to clear our training program which includes a test to clear in Classroom training and OJT post which they are on floor. And post they are on the floor , they need to meet our performance and behaviour parameters as discussed to continue ahead.

Below are the job details -
