To: DrNarotam Sharma <sharmanarotam5@gmail.com>

Dear Sir,

Good morning & greetings from Mewar university.  
Referring to our telephonic conversation and the subsequent detailed proposal of yours mentioning all the details. I would certainly look forward to a collaboration which can create avenues in the bilateral interest & ultimately helping our students getting adequate technical exposure to the new technologies & emerging trends. As I have shared during our conversation, we have a short term training and a last semester internship as a mandatory part of our course curriculum. For taking this further it would be convenient to have a MOU between DNA Labs & Mewar University for which I would suggest to kindly share the MOU format and the detailed training modules with the best offered fee structure.

In anticipation of your kind revert.

Regards,

Harish Gurnani.

Director.

Mewar University.

Mob 9672086000.

Subject: PROPOSAL FROM DNA LABS FOR E -LABS

To,

**Dr. Harish Gurnani**

**The In-Charge; Training and Placement Coordinator**

**Mewar University,**

**NH - 79 Gangrar, Chittorgarh, Rajasthan-312 901**

**Subject:** Regarding collaborations for E-Lab programs for the students of your esteemed University

Respected Sir,

This is to bring into your kind notice that for the Academic collaborations, DNA Labs-A Centre for Applied Sciences, Dehradun, Uttarakhand launches an initiative; **E-Labs- A Knowledge Bank**. As per UGC guidelines (Press Information Bureau Government of India, for Examinations and Academic Calendar for the Universities in View of COVID-19 and Subsequent Lockdown; issued in presence of Union HRD Minister New Delhi, on 29th April, 2020), students can avail the facilities of E-Labs to complete their dissertation/summer training/ internships programs. For making the facilities available which can be utilized by the students of Microbiology, Biotechnology, Biochemistry, Medical lab Technology, Botany, Zoology etc. from UG, PG and Research Scholars from **Mewar University**. Here with this letter I am providing the details of the fee structures along with the projects.

On behalf of DNA Labs, Dehradun, requesting to provide us the details of the participants so that

  
**Registrar**  
**Mewar University**  
**Gangrar, (Chittorgarh)**

05-02-2024, 11:28

Summer training programs/ Internship programs can be started for them. Any inputs/ suggestions are welcome to make this program more fruitful for the students.

Hope this associations will make the best utilization of lockdown and the student will learn the practicals and key contents as provided in brochure of E-Labs from DNA Labs, Dehradun, Uttarakhand

Many thanks and regards

**Dr. Narotam Sharma**

**Senior Scientist**
