

Report on Celebration of Engineer's Day – 2025

Date: 15th September 2025

Venue: MPS Hall, Mewar University, Gangrar, Chittorgarh (Raj.)

Introduction

Engineer's Day is celebrated every year on 15th September to commemorate the birth anniversary of **Bharat Ratna Sir Mokshagundam Visvesvaraya**, one of the most eminent engineers in India. The **Faculty of Engineering and Technology and Computer Science & Engineering & Computer applications, Mewar University**, organized a grand celebration of *Engineer's Day 2025* with great enthusiasm and active participation from faculty, students, and staff members.

The central theme for this year's celebration was **"Emerging AI-Driven Applications in Engineering and Role of Youth in Future"**, reflecting the growing importance of Artificial Intelligence and innovation in shaping the future of engineering and technology.

Guest Lecture

A special **Guest Lecture** was organized on 15th September 2025 at **10:00 AM** in MPS Hall. The **Chief Guest** for the event was **Dr. Amitansu Pattanaik**, Senior Scientist at the *Defense Geo-Informatics Research Establishment (DGRE)*, **Defense Research and Development Organization (DRDO)**, Ministry of Defense, Delhi.

Dr. Pattanaik delivered an inspiring lecture on the topic *"Emerging AI-Driven Applications in Engineering and Role of Youth in Future"*. He highlighted the integration of Artificial Intelligence with various engineering disciplines and emphasized the importance of innovation, research, and ethical responsibility among young engineers.

The session motivated students to explore new technologies and contribute to national development through advanced engineering applications.

Activities Conducted During Engineer's Day 2025

The Departments of Electrical, Civil, and Mining Engineering organized various academic and co-curricular activities to encourage creativity, technical excellence, and innovation among students.

(A) Inaugural Ceremony and Guest Session

The inaugural function began with a welcome address by the coordinators and lighting of the ceremonial lamp & Welcome speech given by Prof. (Dr.) Vinesh Agarwal, Dean- Faculty of Engineering & Technology, Mewar University, Chittorgarh. The following faculty members were responsible for coordination:

Name of Faculty	Department	Role
Mr. B. L. Pal	Computer Science Engineering	Coordinator
Dr. Jitendra Vaswani	Electronics & Communication Engineering	Co-Coordinator
Mr. Amal Haridas	Chemical Engineering	Member

(B) Quiz Competition on Science & Technology

A Quiz Competition based on school-level science and mathematics was conducted to test the scientific knowledge of students.

Name of Faculty	Department	Role
Mr. Dinkar	Mining Engineering	Coordinator
Mr. Aditya Kaushik	Electrical Engineering	Co-Coordinator
Mr. Paras	Civil Engineering	Member
Mr. Suraj Kumhar	Electrical Engineering	Member

(C) Painting/Sketching/Model/Project Competition

The competition was organized on the theme “**Technology and Engineering Excellence**”. Students prepared posters, sketches, and innovative models related to science, technology, and engineering trends.

Name of Faculty	Department	Role
Mr. Deepak Joshi	Electrical Engineering	Coordinator

Name of Faculty	Department	Role
Mr. Dinesh Kumar	Mechanical Engineering	Co-Coordinator
Mr. Nitish Jha	Electrical Engineering	Member
Mr. Rustam	Mining Engineering	Member

Students presented hardware/software-based projects on innovative ideas and showcased their creativity and technical knowledge.

(D) Engineer's Day Celebration Committee

The overall Engineer's Day celebration was coordinated by:

Name of Faculty	Department	Role
Dr. Bhavesh Joshi	Civil Engineering	Coordinator
Mr. Azhar	Civil Engineering	Co-Coordinator
Mr. Shivam Kumar Yagnik	Mining Engineering	Member
Mr. Gaurav	Mechanical Engineering	Member

Conclusion

The celebration of *Engineer's Day 2025* at **Mewar University** was a grand success, marked by enthusiasm, creativity, and teamwork among students and faculty members. The event not only paid tribute to Sir M. Visvesvaraya but also inspired budding engineers to adopt innovation and responsibility in their professional journey.

The Guest Lecture by Dr. Amitansu Pattanaik was highly appreciated, and the various competitions provided a valuable platform for students to exhibit their technical skills and innovative thinking.

The university administration expressed gratitude to all departments, coordinators, and participants for their active cooperation in making the event successful.
