

## **Mewar University Fellowship in Environmental Law**

While looking and learning about the environments' declining health today world over, it is easy to feel discouraged, but what keeps us fighting for a healthy world is the future of our children. They should not have to inherit our environmental problems and in order to keep their future bright, spreading awareness is imperative.

To contribute for the cause of protection of environment, in exercise of the powers conferred under Section 5 (k) of the Mewar University Act, the Mewar University is pleased to announce that it has been decided to grant fellowship to two deserving and meritorious girl students every year commencing from 2019, who are desirous of pursuing research (Ph.D.) in the area of Environmental law preferably on Environmental Pollution, Hazardous Waste Management, Sustainable Developmental Goals and Principles, Environmental Justice, Environmental Jurisprudence and the Corporate Environmental Goals, etc.

Mewar University is hopeful that this move will benefit in advancing and empowering girl child respecting their contribution in the promotion, protection and achieving of sustainable developmental goals considering India's National and International commitments towards environment.
