**Record Note of the meeting between Officials of Office of DC (MSME) and Mewar University for organising Training Programmes for students and faculty members of Mewar University at MSME Tool Rooms.**

In response to Mewar University letter No. MU/MSME/2012/ dated November 19, 2012 addressed to Additional Secretary & Development Commissioner (MSME), Ministry of MSME, Government of India, a proposal for conducting training programmes for students and faculty members of Mewar University was prepared in consultation with MSME Tool Rooms concerned and forwarded to Mewar University.

As desired by AS&DC, a meeting was held in the Office of DC (MSME) on December 19, 2012 to finalise various modalities.

The following officials were present:

1. Mr. Ramesh Pandey, JDC, O/o DC (MSME)
2. Mr. R.K. Rai, Director (Tool Room), O/o DC (MSME)
3. Shri. Ashok Kumar Gadiya, Chancellor, Mewar University
4. Prof. Ram Chandra, Director, Mewar University
5. Ms. Kanika Rai, Assistant Director, Mewar University
6. Shri C.S.S Rao, Dy. Director (Tool Room), O/o DC (MSME)
7. Shri Charanjeet Singh, Assistant Director (Tool Room), O/o DC (MSME)

The following are the recommendations of the committee.

**1. Faculty Orientation Programme (Item No. 1):**

One week orientation programmes for Mewar University faculty members may be made available for 7 training programmes at Tool Rooms (Aurangabad, Ahmedabad, Indore, Hyderabad, Mumbai, Ramnagar). The fee is Rs.10000/- per candidate inclusive of boarding & lodging.

Mewar University welcomed the proposal and agreed.

- (viii) The fees along with lodging boarding charges are to be paid in advance.
- (ix) If trainees leave the course in between the fees will not be refunded.
- (x) The Mewar University should send the Demand Draft / RTGS of consolidated amount in favour of the respective Tool Rooms.

5. In addition to the above, Mewar University also proposed the co-operation of Office of DC (MSME), in the following areas:

- (i) Integrated B.Tech + M.Tech Programme in collaboration with MSME.
- (ii) Setting up a Resource Centre at Mewar University.

It was agreed that this will be considered separately on receipt of detailed proposal from Mewar University.

6. The above Record Note would form overarching guidelines for conducting training programmes for students and faculty members of Mewar University, by MSME Tool Rooms. Any modification in these guidelines can be done in mutual consultations with the approval of AS&DC/ Chairman MSME Tool Rooms.

Dear Sir,

Since these candidates are from outside India, kindly let us know whether normal stay arrangements & veg food that is provided to normal Indian candidates will be acceptable or not. If anything extra is to be provided than what the arrangements we need to do it is not clear. Secondly if these foreign candidates are coming to our place what are the legal formalities that need to be carried out as we being a government of India institute we need to inform & take permission from appropriate authorities.

**Subject:** WORK SHOP ON "MODERN TECHNIQUES OF TOOL & MOULD DESIGN AND ADVANCE MANUFACTURING USING NX"

Dear Sir,

Greetings from IGTR Aurangabad...

We are very glad to inform you that Indo German Tool Room, Aurangabad is going to organize one day workshop on "**MODERN TECHNIQUES OF TOOL & MOULD DESIGN AND ADVANCE MANUFACTURING USING NX**" on **07<sup>th</sup> August 2018** in association with 3D Engineering Pvt. Ltd Pune.

Design is the first step in manufacturing where most of the crucial decisions are made affecting the final cost of the product. Smart Designs with Modern Techniques & Advance Manufacturing techniques has created a revolution in manufacturing industry is leading to reduced product cost, improved quality and reliability, shorter time-to-market, lower stocks, fewer suppliers and many other benefits.

The training program is for Industrial professionals, Faculties and Students, who are interested in evaluating "COST & TIME" implications of their design & aim at production of high value products.

You are kindly requested to nominate the representatives from your esteemed organisation / Institute for the training program. Details of the training program are enclosed herewith for your ready reference.

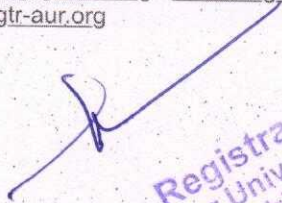

**Last date of registration is 6<sup>th</sup> August 2018.**
