Cc Meera Chandrasekhar <meera@nedspice.com>; Oommen Philip <Oommen@nedspice.com>; Admin India <adminindia@nedspice.com>; Roshni Khona <roshni@nedspice.com>

Dear Mr. Harish,

Greetings from Nedspice!

Thanks for arranging the interviews at a short notice and we appreciate your interest to give this experience for the students. We have selected 5 students and we would want to take 10 students in total. Request you to kindly arrange for the balance interviews. Look forward to hear from you at the earliest.

We have selected the following students:

- 1) SUYASH SINGH RATHORE
- 2) SANDEEP LOHAR
- 3) ROSHAN KUMAR
- 4) PAWAN SINGH
- 5) NAVEEN PATIDAR

Regards,  
Ganapathy

**Subject:** FW: Proposal letter for internship from Mewar university.

Dear Sir,

Greetings from Nedspice!

With reference to the telephonic conversation, we would be able to take 10 students for a short term training for 4 months period starting from 1<sup>st</sup> of March to 30<sup>th</sup> of June 2021. The students should have completed B.Sc Agri or in their final semester. They will be selected after a round of interview.

The students will be placed at different locations, where we operate and would be given specific task during the Internship period. The location of stay would be in villages around Barmer/ Jaisalmer in Rajasthan. The students will have hands on training on field activities and procurement. Nedspice will take care of their accommodation during their stay.

We shall pay each student Rs. 6000/- as stipend + Rs. 1000/- additional as travel allowance per month during their stay (Total Rs. 7000/-). Food arrangements will have to be taken care by the students with the stipend, which will be given to the students by the end of the every month.

During the stay the students have to ensure safety practices, which will be informed after their arrival. They will have to submit a detailed report on the completion of the training to the company.

Regards,  
Ganapathy

**CAUTION:EXTERNAL**

Dear Sir.

Good afternoon & Greetings from Mewar University.

Collaboration between industry & academia supports improvement and innovation in the industry and helps to ensure industrial relevance in academics. For addressing challenges related to competitiveness, organisations often look beyond industry partners to academic collaborations for innovation.

Talking about how Industry- Academia linkages will mutually benefit the two, students will learn & engage in real world problem solving as it brings together the applicability of theoretical knowledge in real life situations. Industry will find job ready students who need less training and are productive from the very beginning.

We at Mewar University have tried to address the requirement of such skilled manpower & accordingly developed the courses with Training / Internships as mandatory components of the course curriculum. For this we have collaborated with MSME centers & have a strong association with 300+ companies located all across the country wherein we have been sending our students for their six months final semester internship. I am glad to share we have attach 8000+ students to various

  
Registrar  
Mewar University  
Gangrar, (Chittorgarh)

organizations located all across the country, where they have learnt & later based on their learnings majority of them have converted those internships in full time job opportunities.

For exploring such possibilities related to short term training programs, internships & further collaborations with your esteemed organization will look forward to have a interaction with your good self so that we can share the details at length & can work out a possible understanding on addressing such requirements and further possibilities.

Looking forward to your kind consideration and revert.

Regards.

**Subject:** RE: Mewar University

Dear Mr. Rishi,

Hope you are doing good during these covid times.

As the government will be starting the COVID vaccine available for all above 18 years, we have infirmed intern students of Mewar that Nedspice will help them get vaccinated (if they are interested only).

Also to mention that, Mr. Jagdish Dangi one of the students who was placed at Fathegar buying centre was sent back on the 23<sup>rd</sup> April, as he was not showing much interest to work, We was not serious about his internship program and also was getting married this month end. We shall give him the certificate of work after all the students complete the internship.

Please revert for any clarifications.

Dear Mr. Harisha,

Apologies for the late reply but we would like to inform you that, we would want to take some students this season for the internship program. We confirm to take 10 to 12 students this year from March 2022 to June

2022 (4 months). They will be placed in Barmer and Jaisalmer with accommodation. Due to covid the company has restricted our travel, so the team shall take online interviews to select students. For any communication your placement cell can contact Ms. Aadithya who also has been copied in the mail.

Regards,  
Ganapathy

Dear Sir,

Good afternoon & greetings from Mewar University.

In continuation to the association built last year with your esteemed organization, wherein we sent some of our B.Sc ( agriculture ) students for their last semester internship. It was a good learning opportunity for our students, taking further this year too we will be having our students going for their last semester internship starting Jan 2022.

For ensuring more effective and structured outcome from the process, this time we would like to invite your organization to visit our campus for conducting a screening process for the internship opportunities. We are intending to conduct the same between 20 th to 30 th of December 2021. I would request your kind consideration on the same and will look forward to your kind revert.
