Undertakes (a) Structural Steelwork Fabrication (b) Technological Steelwork Fabrication (c) Equipment Steelwork Fabrication for various industrial sectors.

SHREE ALLOYS
INDUSTRIES PRIVATE LIMITED

Responsibilities of Mewar University & Shree Alloys P.Ltd

Mewar University Chittorgarh.

1. Mewar University will be sending its national / international students for addressing the short term training program & long term six months internship as per the requirement of the respective course.
2. Students from faculty of Engineering & Technology, Faculty of Management & Commerce will be mainly sent for acquiring the required skills.
3. Discipline & proper code of conduct by these students will be the responsibility of the Mewar University,
4. One contact person will be nominated who will be coordinating related matters
5. The detailed list of such students will be provided well in advance to ensure proper arrangements for smooth conduct of the programs.

Shree Alloys P.Ltd Bhilwara.

1. Providing required trainings/internships with emphasis on practical exposure
2. Assigning specific mentors/trainers for the students.
3. Permitting industrial visits for the students from Mewar University to enable learning & understanding of industrial process & procedures.

4. On completion of the trainings/internships evaluation on the prescribed formats will be provided for individual students.
5. Based on openings available & performance of the students (interns) during their internships job opportunities can be offered.
6. Any type of concessional facilities like canteen, transportation, medical, lodging/boarding, stipend depending on the provisions of the company can be provided to the students.

This agreement will be in effect initially for a period of 3 years from the date of signing of this MOU by the parties and may be renewed further if mutually agreed. The parties may terminate or modify (on mutual consent) the agreement by written notification signed by the appropriate official of the institution initiating the notice. Such notice must be received by the other party six months prior to the effective termination date. However, obligations and commitments already contracted for and involving the parties shall be honored and continued by the parties until such commitments are completed.

The coordinating officers from both sides, for the smooth functioning of the MOU, will jot down rules and regulations with regard to the charges and related matters.

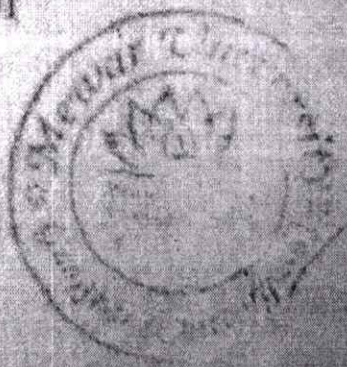

In witness whereof, the parties hereto caused this instrument to be executed of the day, month and year indicated below:

Signed this day-... 27th July... 2021
